It is such a gift to get to know others in recovery to help us better know ourselves. To learn about ourselves with the magic of connection with others in recovery helps us grow and heal.

In partnership with The Retreat and SHE RECOVERS® Foundation, Women in Recovery is thrilled to host SHE RECOVERS Sharing Circles.

These community-based circles of support are intended to provide a welcoming and supportive atmosphere for women on all paths of recovery to join together and share their thoughts, feelings and experiences related to a specific topic that will be announced in advance. A trained SHE RECOVERS Certified Professional facilitator will guide every circle to ensure that all members of our community feel heard, seen and protected.

Our programming focus
this year is:
**Held by Community,
Healed by Connection.**
