

God, You Go First!

A weekend retreat with Roger B.

When we're asked to turn our will and our lives over to a Higher Power, we're often confused by how to do just that. It can feel more comfortable to fall back on our old reactions and habits. It's the pause that allows us to defeat our old patterns. When we pause, we stop the reaction and ask "God, what would You have me be?" – not do. It's a practice, and it will take time, but it's available – and quite possible!

This weekend we will learn to more deeply practice patience, understanding, perseverance, and commitment, as we find ways to intervene on our old reactions to life.
